Additional payment to the Lighting Contractor, Gundlupet Town

In forwarding herewith the correspondence ending with No H 123 of 41, dated the 19th September 1942, on the subject, I have the honour to state that owing to the rise of prices of Kerosine and other articles the Lighting Contractor has been urging for the grant of an enhanced rate during the year 1941-42 He wanted that the rate originally agreed to by him in respect of Petromax Lights might be enhanced by Re 1/- per light per month and that the rate for ordinary lights might be raised by annas two per light per month The Municipal Council have considered this subject at their meetings held on 27th January 1942, and 31st August 1942 They have resolved that the Contractor might be given a lumpsum grant of Rs 10/- per month from 1st July 1941 i e , Rs 120/- in all It is seen from the records that he was being paid Rs 164-8-0 per month as the lighting charges as per terms of the Contract with the Municipality i e , Rs 1,974/- for the whole year The additional sum of Rs 120/- proposed to be paid to him amounts to giving an increase by 6% which is not much in view of the rise of prices due to international situation The Council have resolved to meet the extra cost from the Closing Balance in the current years budget The resolution of the Council may therefore be kindly

approved
